

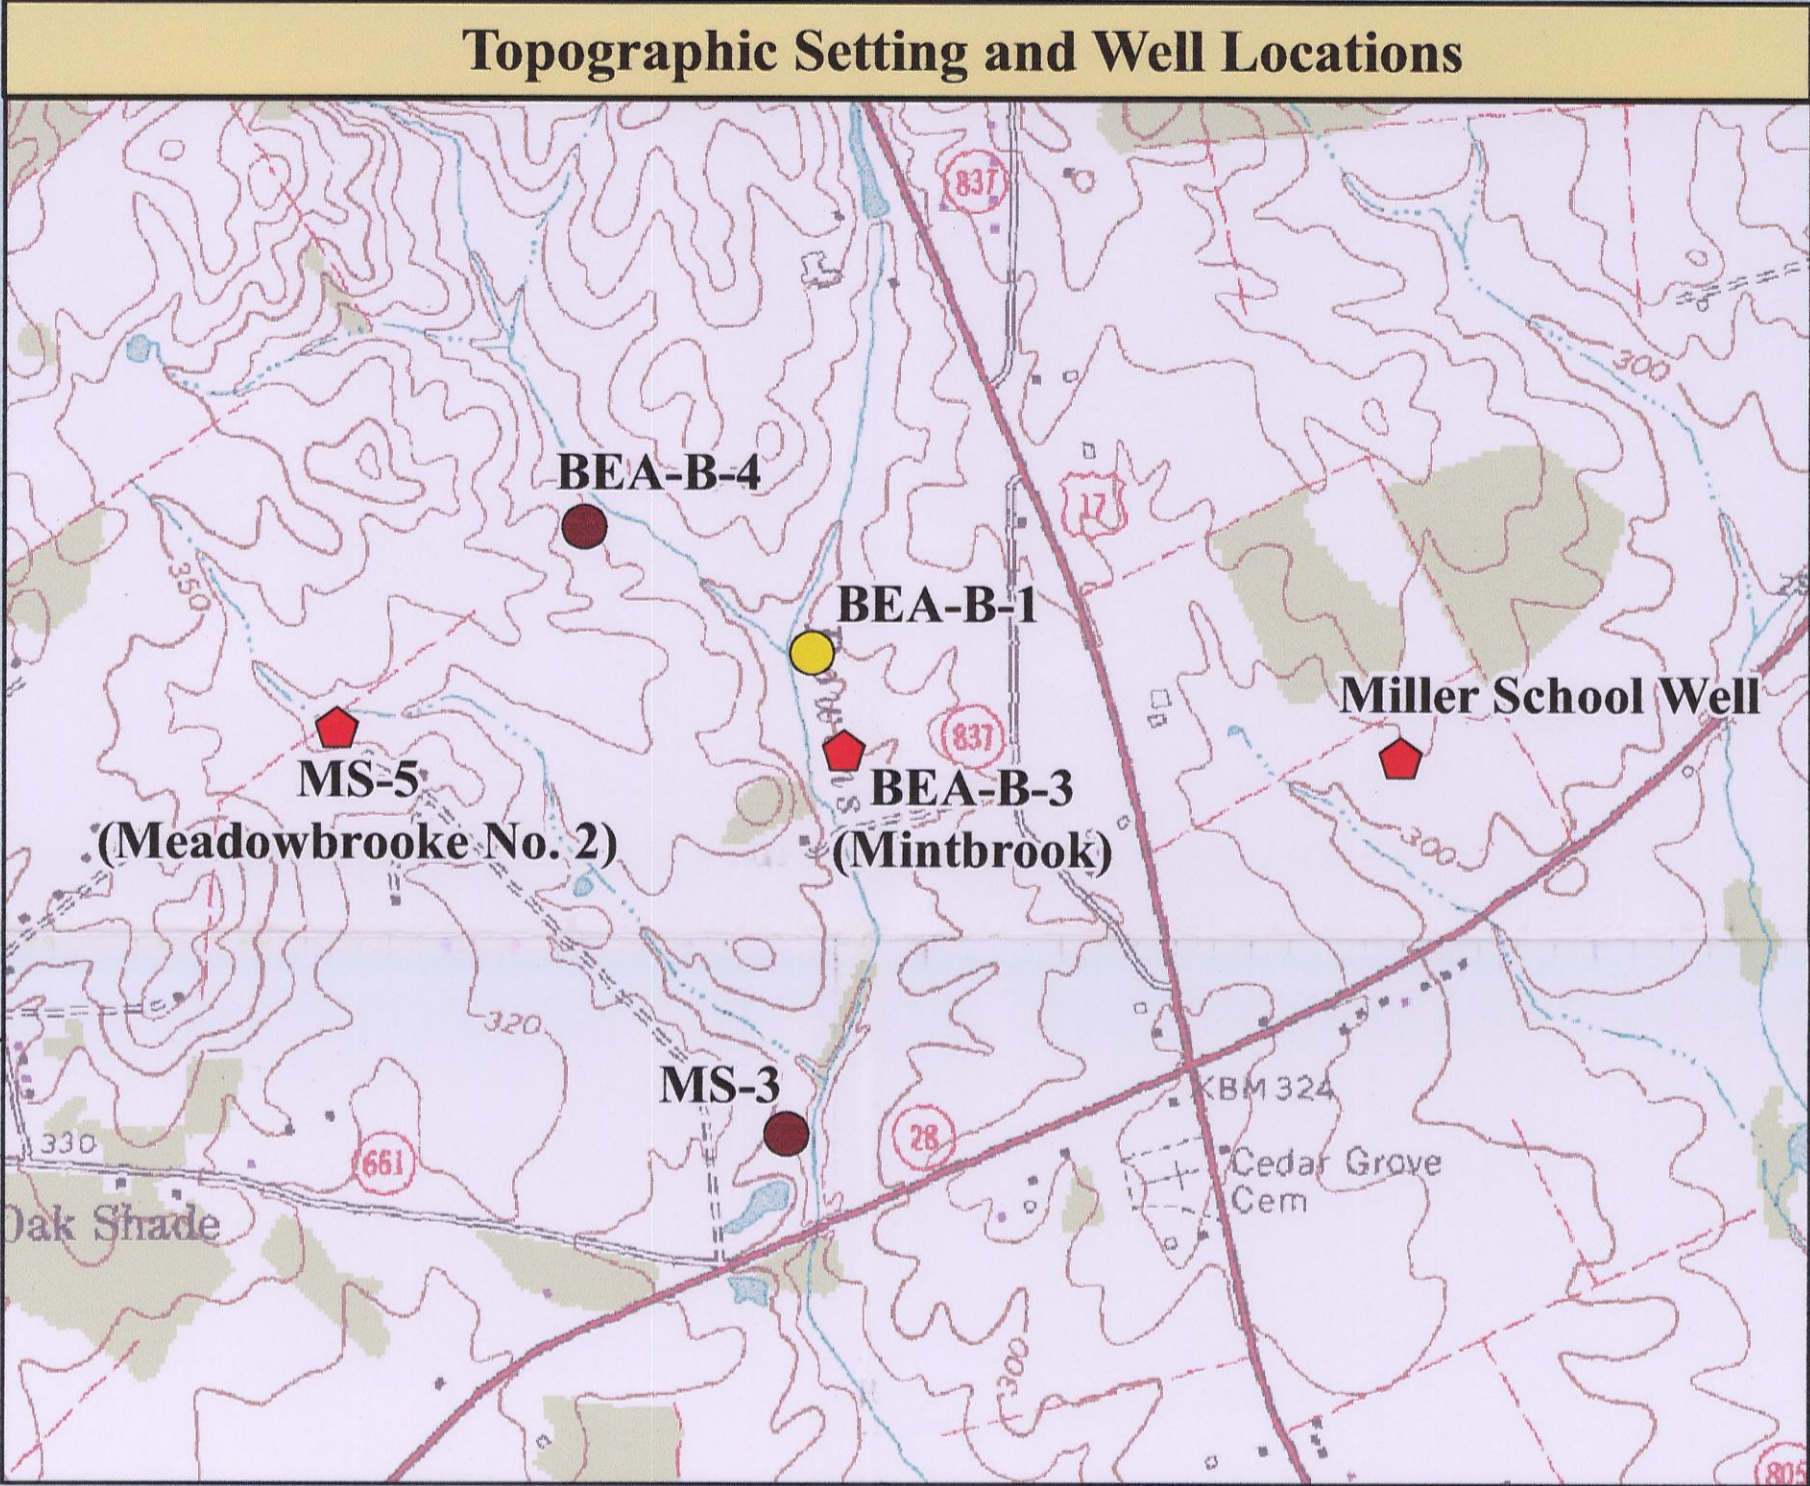

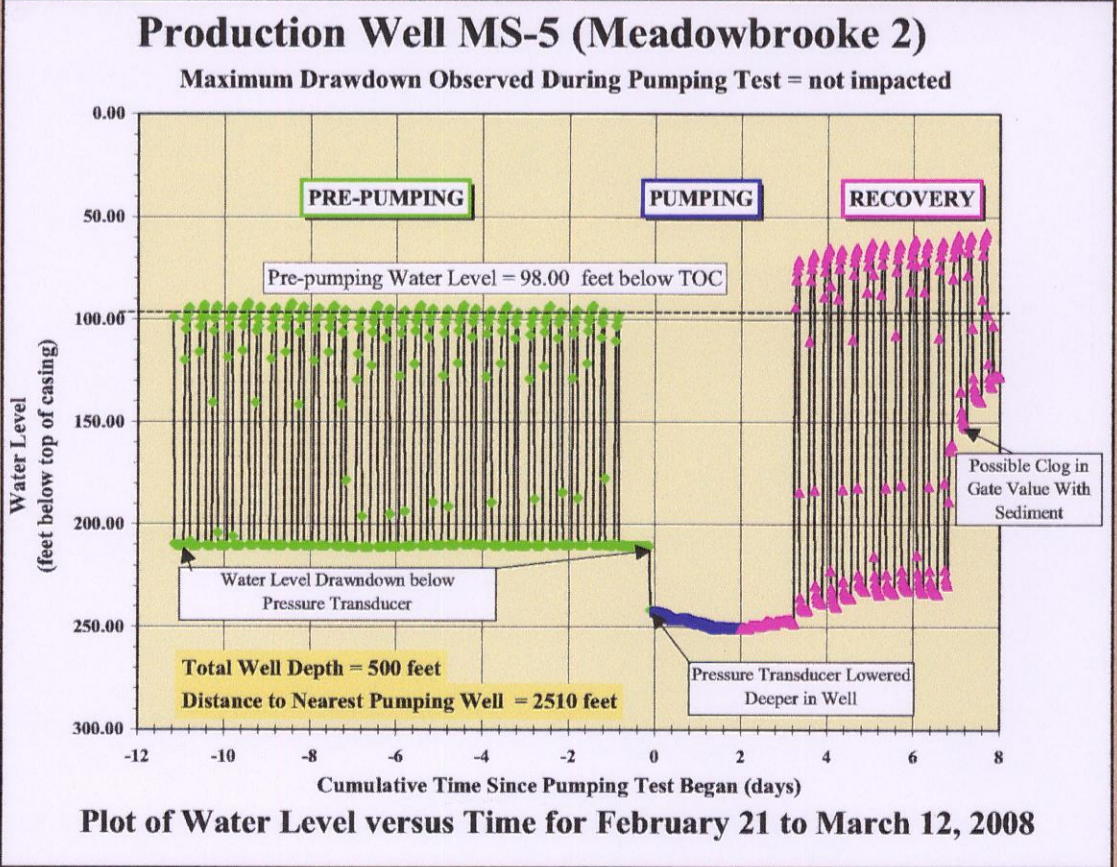

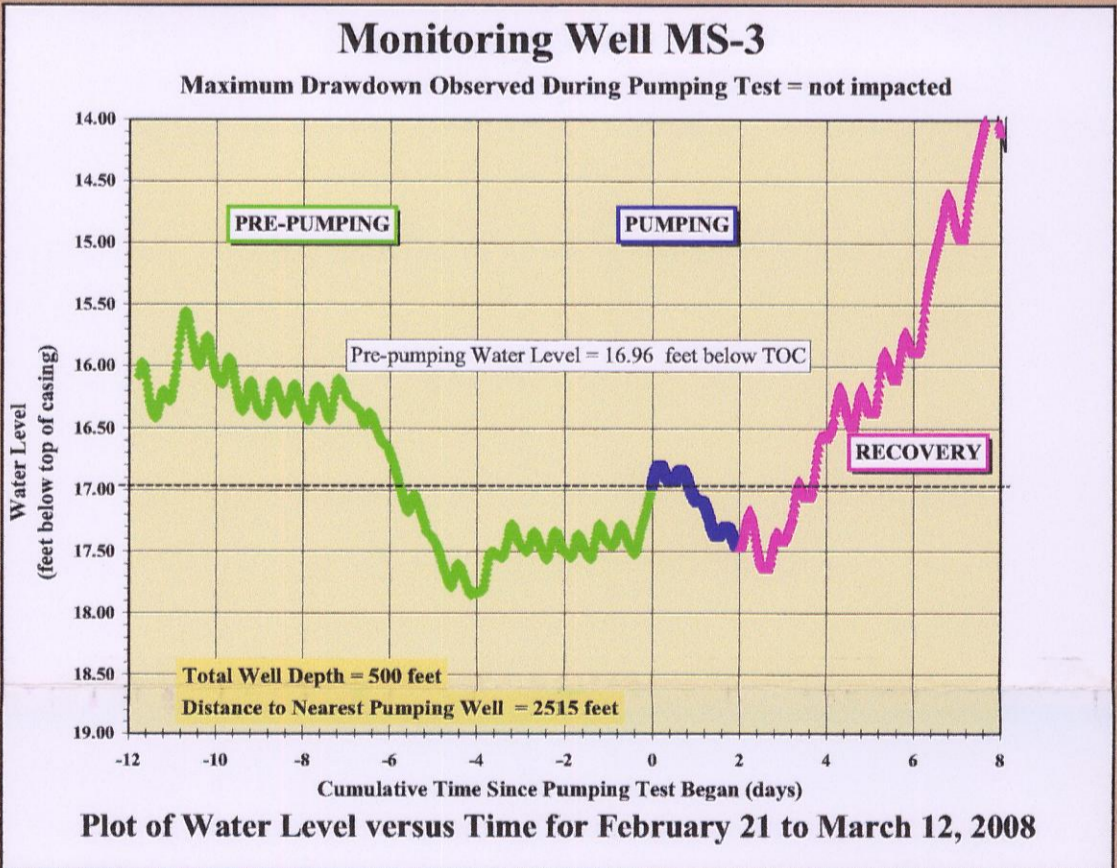

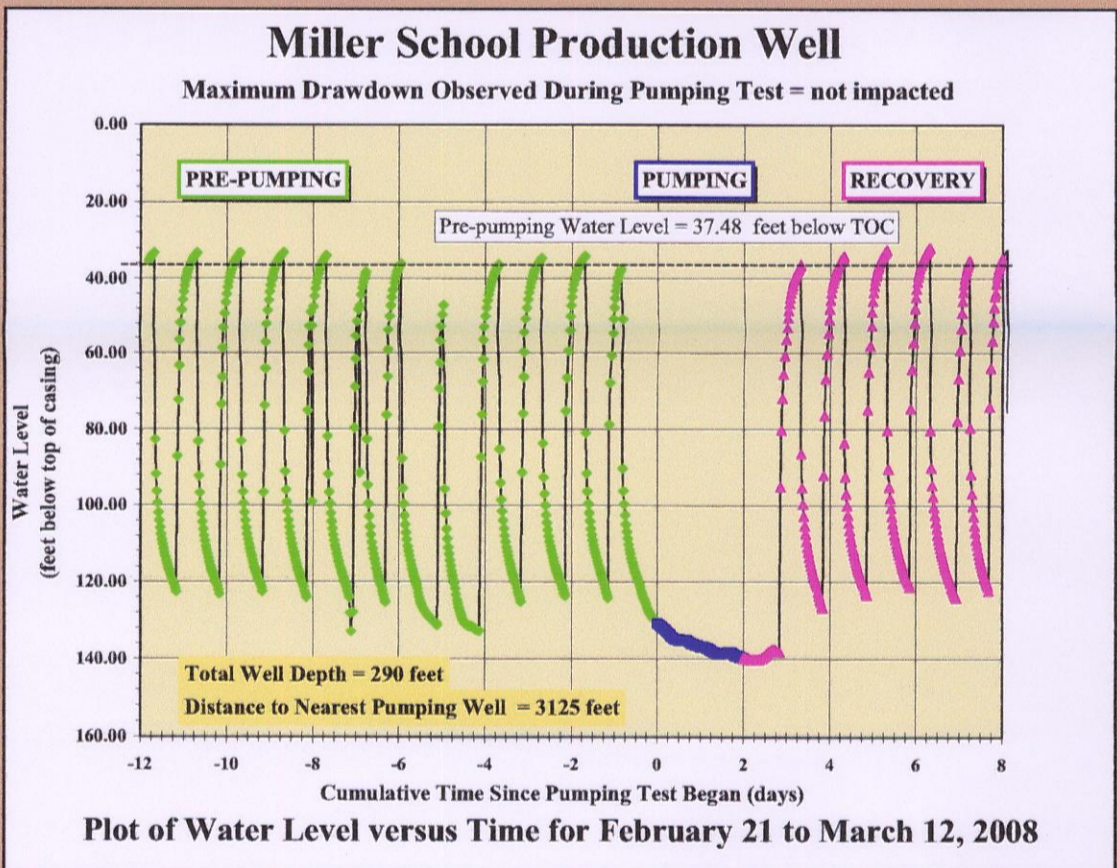

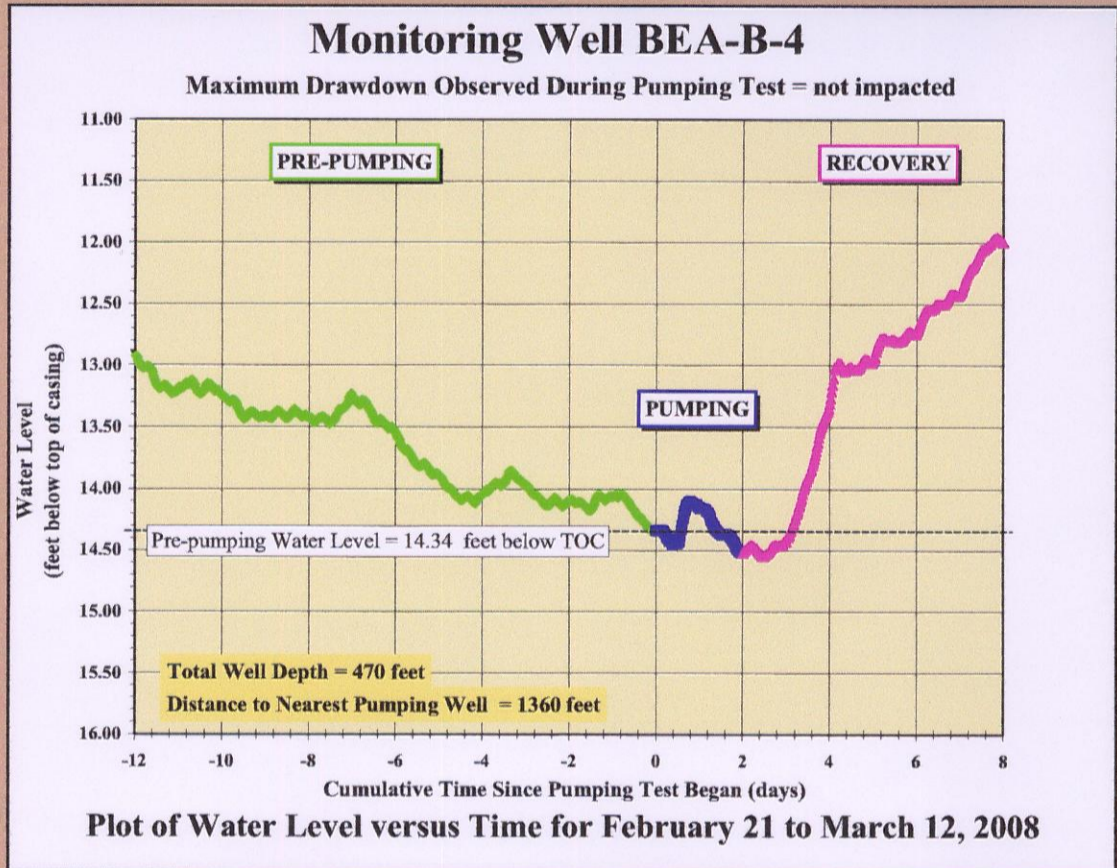

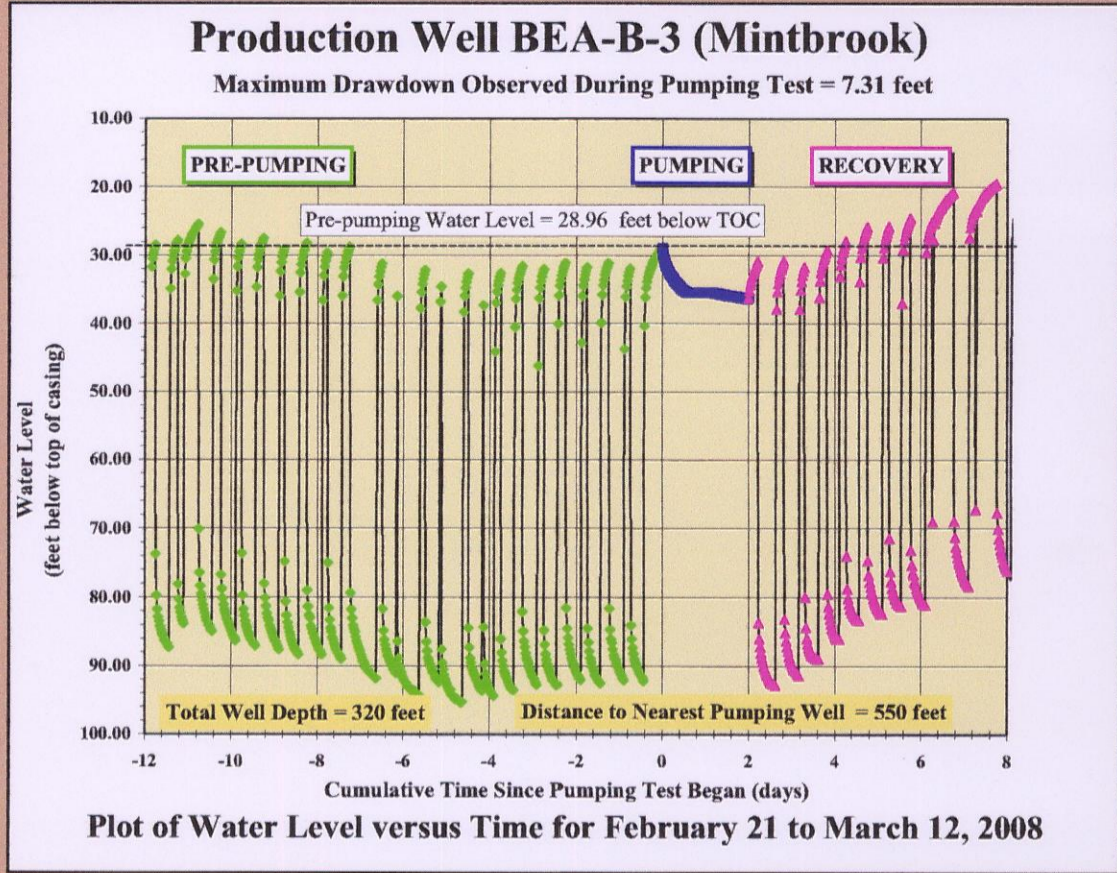

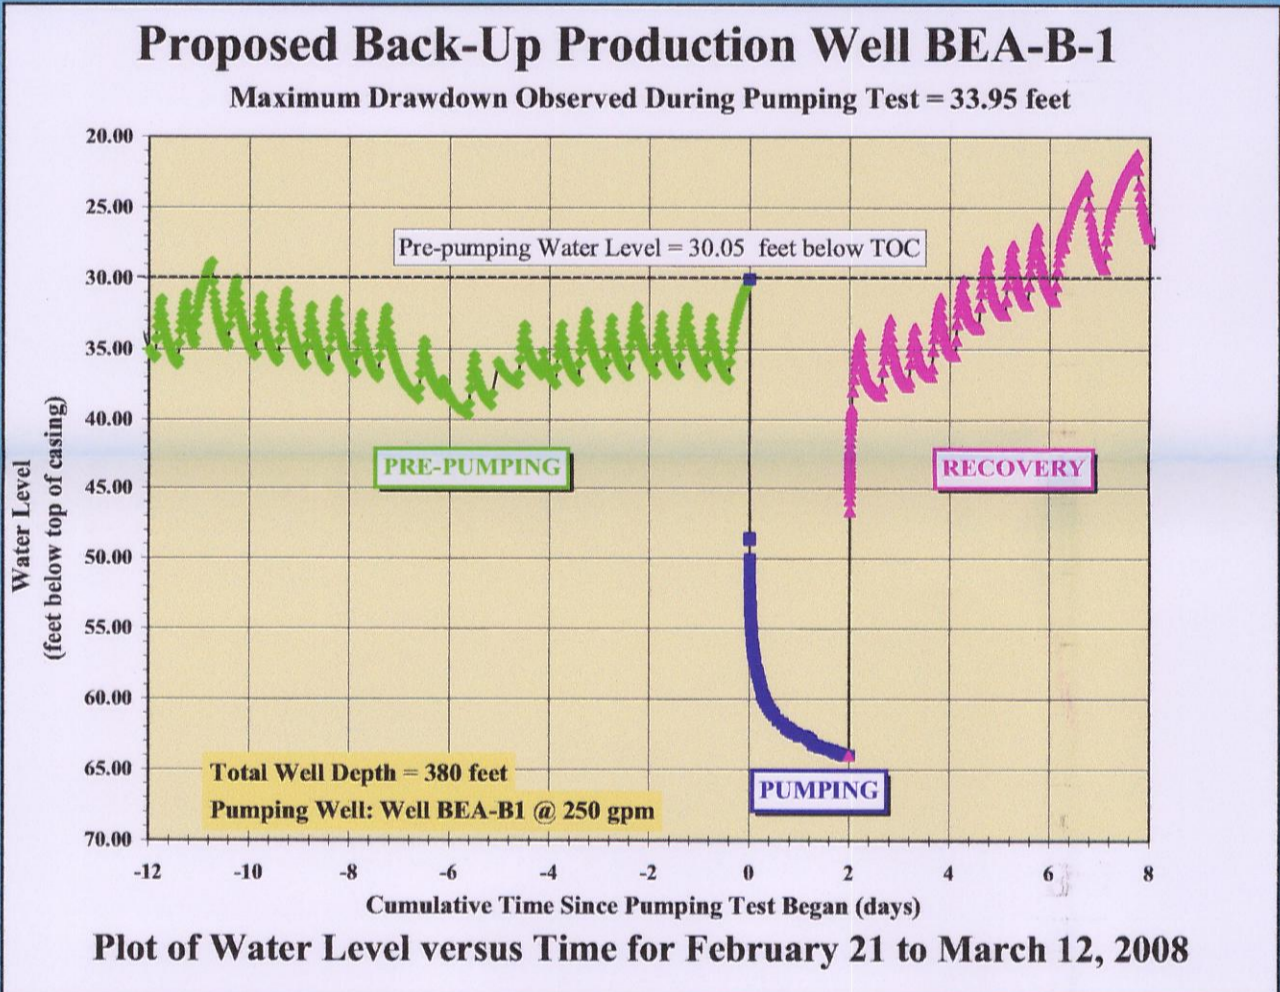

Plate 1 Well BEA-B-1 Pumping Test, FCWSA - Bealeton Service District, Fauquier County, Virginia

Wells Monitored During BEA-B-1 Pumping Test

1:12,000
1 inch equals 1,000 feet

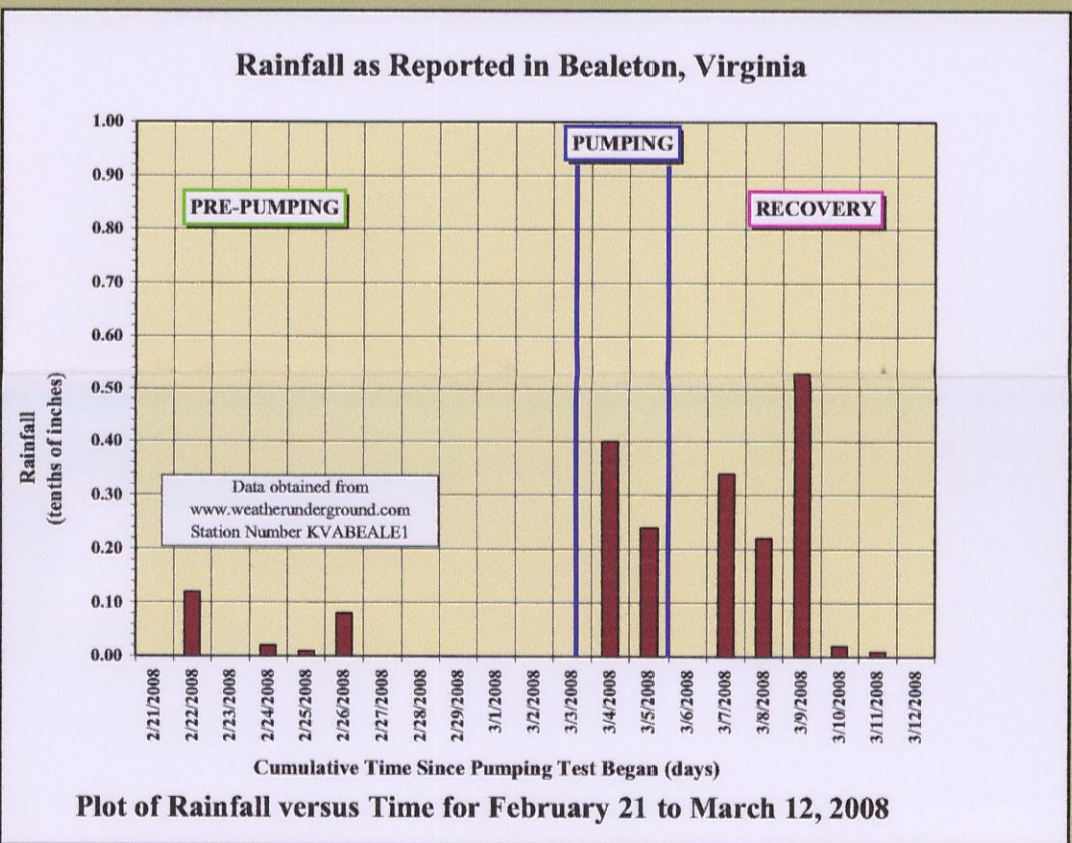

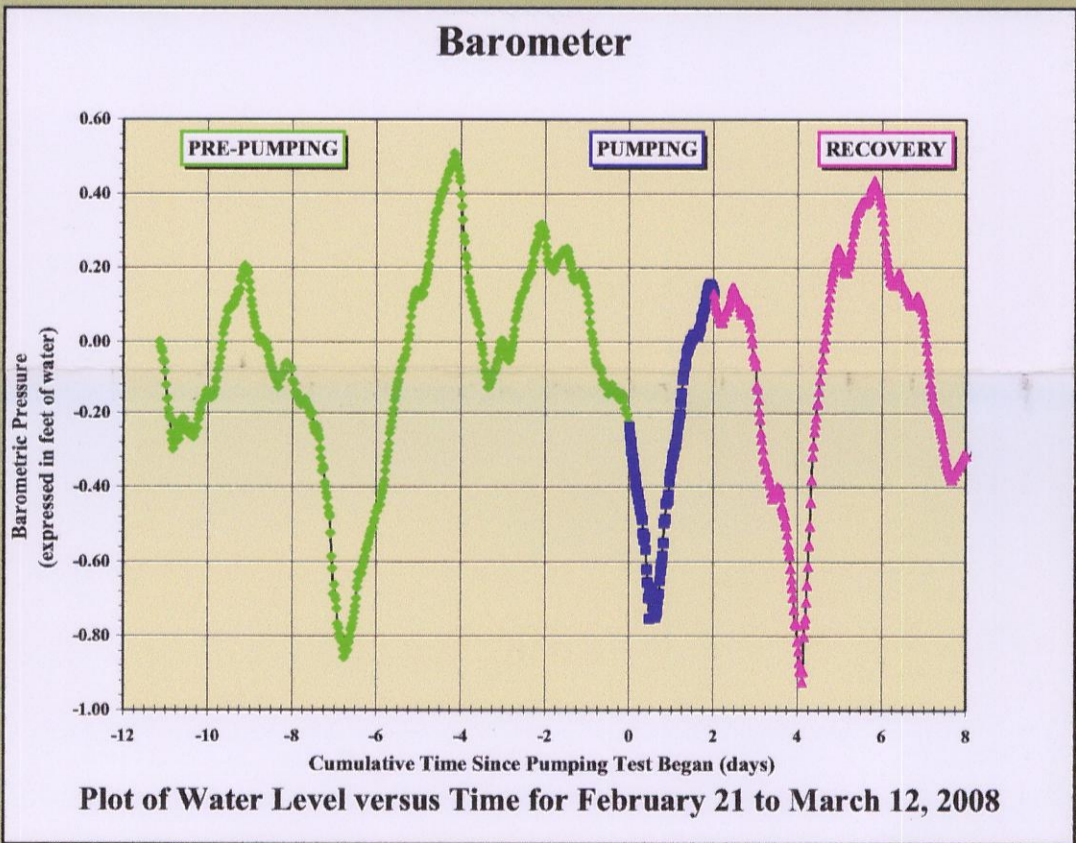

Back-Up Supply Well BEA-B-1

Well Legend

- Existing FCWSA Production Wells
Dates Drilled:
Well BEA-B-3 (7/28/1993)
Well MS-5 (12/11/1990)
- Proposed Back-Up Supply Well BEA-B-1
Drilled on 7/26/1993
- Drilled Exploration Well
Dates Drilled:
Well MS-3 (12/14/1990)
Well MS-5 (12/11/1990)

Climate Data

USGS Topographic quadrangle map base.
UTM Zone 18N, NAD 27, meters.
Topographic contours interval: 20 feet.
